

ORDINANCE NO. 7-2005

AN ORDINANCE AMENDING SECTION 30 OF THE MUNICIPAL CODE OF THE CITY OF VALPARAISO ENTITLED "BUILDING CODE"

WHEREAS, the City of Valparaiso is in need of updating the Building Code with an ordinance regulating the construction, alteration, equipment, use, occupancy and location of buildings and structures in Valparaiso, Indiana, incorporating by reference building rules, codes and standards required to be enforced under IC 36-7-2-9; providing for the issuance of permits; inspections, and penalties for violations; and

WHEREAS, all ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed;

NOW, THEREFORE, BE IT ORDAINED by the Common Council of the City of Valparaiso, Indiana that Chapter Thirty of the Municipal Code of the City of Valparaiso be amended to read as follows:

30.01. TITLE. This Ordinance and all material included herein by reference shall be known as the "Building Code of Valparaiso, Indiana" and will be referred to herein as "this code".

30.02 PURPOSE. The purpose of this code is to protect the life, public safety, health and general welfare of the citizens of Valparaiso, Indiana, and shall be construed in such a manner to effectuate this purpose.

30.03 DEFINITIONS. Unless otherwise clearly indicated by its context, the words and terms defined in this section shall have the specified meanings.

1. "Building Commissioner", as used in this ordinance, includes individuals employed by the Building Department that are authorized to represent the Building Commissioner.
2. "Class 1 structure", pursuant to IC 22-12-1-4 has the following definition:
 - (a) "Class 1 structure" means any part of the following:
 - (1) A building or structure that is intended to be or is occupied or otherwise used in any part by any of the following:
 - (A) The public.
 - (B) Three (3) or more tenants.
 - (C) One (1) or more persons who act as the employees of another.
 - (2) A site improvement affecting access by persons with physical disabilities to a building or structure described in subdivision (1).
 - (3) Any class of buildings or structures that the commission determines by rules to affect a building or structure described in subdivision (1), except buildings or structures described in subsections (c) through (f).
 - (b) Subsection (a)(1) includes a structure that contains three (3) or more condominium units (as defined in IC 32-25-2-9) or other units that:
 - (1) are intended to be or are used or leased by the owner of the unit; and
 - (2) are not completely separated from each other by an unimproved space.
 - (c) Subsection (a)(1) does not include a building or structure that:
 - (1) is intended to be or is used only for an agricultural purpose on the land where it is located; and
 - (2) is not used for retail trade or is a stand used for retail sales of farm produce for eight (8) or less consecutive months in a calendar year.
 - (d) Subsection (a)(1) does not include a Class 2 structure.
 - (e) Subsection (a)(1) does not include a vehicular bridge.
 - (f) Subsection (a)(1) does not include a structure that is intended to be or is occupied solely to provide periodic maintenance or repair of:
 - (1) the structure; or
 - (2) mechanical or electrical equipment located within and affixed to the structure.
 - (g) Pursuant to IC 22-12-1-24, structure includes swimming pool.
3. "Class 2 structure", pursuant to IC 22-12-1-5, has the following definition:
 - (a) "Class 2 structure" means any part of the following:

ORDINANCE NO. 7-2005

- (1) A building or structure that is intended to contain or contains only one (1) dwelling unit or two (2) dwelling units unless any part of the building or structure is regularly used as a Class 1 structure.
 - (2) An outbuilding for a structure described in subdivision (1), such as a garage, barn, or family swimming pool, unless any part of the outbuilding is regularly used as a Class 1 structure.
- (b) Subsection (a) does not include a vehicular bridge.
- (c) Pursuant to IC 22-12-1-24, structure includes swimming pool.
4. "Construction", pursuant to IC 22-12-1-7, means any of the following:
 - (a) Fabrication of any part of an industrialized building system or mobile structure for use at another site.
 - (b) Erection or assembly of any part of a Class 1 or Class 2 structure at the site where it will be used.
 - (c) Installation of any part of the permanent heating, ventilating, air conditioning, electrical, plumbing, sanitary, emergency detection, emergency communication, or fire or explosion suppression systems for a Class 1 or Class 2 structure at the site where it will be used.
 - (d) Work undertaken to alter, remodel, rehabilitate, or add to any part of a Class 1 or Class 2 structure.
 - (e) Work undertaken to relocate any part of a Class 1 or Class 2 structure, except a mobile structure.
5. "Industrialized building system", pursuant to IC 22-12-1-14, means any part of a building or other structure that is in whole or in substantial part fabricated in an off-site manufacturing facility for installation or assembly at the building site as part of a Class 1 structure, a Class 2 structure, or another building or structure. However, the term does not include a mobile structure or a system that is capable of inspection at the building site.
6. "Manufactured home", pursuant to IC 22-12-1-16 has the meaning set forth in 42 U.S.C. 5402 as it existed on January 1, 2003. This definition is as follows: "Manufactured home" means a structure, transportable in one or more sections, which, in the traveling mode, is eight body feet or more in width or forty body feet or more in length, or, when erected on site, is three hundred twenty or more square feet, and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities, and includes the plumbing, heating, air-conditioning, and electrical systems contained therein; except that such term shall include any structure which meets all the requirements of this paragraph except the size requirements and with respect to which the manufacturer voluntarily files a certification required by the Secretary of Housing and Urban Development and complies with the standards established under this 42 U.S.C. 5401 et seq. and except that such term shall not include any self-propelled recreational vehicle.
7. "Mobile structure", pursuant to IC 22-12-1-17, has the following definition:
 - (a) "Mobile structure", means any part of a fabricated unit that is designed to be:
 - (1) towed on its own chassis; and
 - (2) connected to utilities for year-round occupancy or use as a Class 1 structure, a Class 2 structure, or another structure.
 - (b) The term includes the following:
 - (1) Two (2) or more components that can be retracted for towing purposes and subsequently expanded for additional capacity.
 - (2) Two (2) or more units that are separately towable but designed to be joined into one (1) integral unit.
8. "Person", pursuant to IC 22-12-1-18, means an individual, corporation, limited liability company, partnership, unincorporated association, or governmental entity.
9. "Structure" means both Class 1 and Class 2 structures, unless specifically stated otherwise.
10. "Vehicular bridge", pursuant to IC 22-12-1-26, means any bridge that is neither:
 - (a) a pedestrian walkway; nor
 - (b) a passageway for light vehicles;suspended between two (2) or more parts of a building or between two (2) or more buildings.

ORDINANCE NO. 7-2005

30.04 SCOPE.

1. All construction shall be accomplished in compliance with the provisions of this Building Ordinance.
2. Pursuant to IC 22-13-2-6, this Building Code shall not apply to industrialized building systems or mobile structures certified under IC 22-15-4; however, the provisions of this Building Code and the rules promulgated by the Fire Prevention and Building Safety Commission do apply to any construction related to an industrialized building system or mobile structure not certified under IC 22-15-4.
3. Pursuant to IC 22-13-2-9, this Building Code is not applicable to regulated amusement devices, regulated boilers, regulated pressure vessels, or regulated lifting devices.

30.05. ESTABLISHMENT. Pursuant to the applicable laws of the State of Indiana an Office of Building Commissioner for the purpose of implementing and enforcing this code. Hereafter throughout this Ordinance the terms "Building Commissioner" and "Building Inspector" shall have the same meaning and effect

30.06. AUTHORITY. The Building Commissioner is hereby authorized and directed to administer and enforce all of the provisions of this code, all variances granted in accordance with IC 22-13-2-11, and all orders issued under IC 22-12-7. Whenever in this code it is provided that anything must be done on approval of or subject to the direction of the Building Commissioner, this will give the Building Commissioner only the discretion of determining whether this code has been complied with. No such provision shall be construed as giving discretionary powers as to what this code shall be, or power to require conditions not prescribed by ordinance or to enforce this code in an arbitrary or discriminatory manner.

30.07. SEVERABILITY. Should any provision (section, clause, phrase, word or any other portion) of this ordinance be declared by a court of competent jurisdiction to be invalid for any reason, the remaining provisions shall not be affected, if and only if such remaining provision can, without the invalid provision or provisions, be given the effect intended in adopting this ordinance. To this end, the provisions of this ordinance are severable.

30.08. EFFECT OF ADOPTION ON PRIOR ORDINANCE. The expressed or implied repeal of amendments by this ordinance of any other ordinance or part of any other ordinance does not affect any rights or liabilities accrued, penalties incurred, or proceedings begun prior to the effective date of this ordinance. These rights, liabilities and other proceedings are continued and penalties shall be imposed and enforced under the repealed or amended ordinance as if this ordinance had not been adopted.

30.09. USE OF FORMS. The Building Commissioner shall have the power and authority to prepare and publish forms to be used in the operation of his office and such forms shall have the same force and effect as if a part of this Ordinance. The Building Commissioner must have all forms used in the operation of his office approved by the Board of Public Works and Safety of the City of Valparaiso, Indiana, prior to the use of such forms.

30.10. BUILDING PERMIT REQUIRED: Construction is prohibited unless in conformity with a valid building permit obtained from the Building Commissioner prior to commencement of construction.

30.11 ISSUANCE OF BUILDING PERMIT: The Building Commissioner shall issue a building permit to a person after the person has submitted a complete application, including any applicable fee, provided that the proposed construction will conform to all applicable building laws and will not violate any other applicable ordinances or laws.

ORDINANCE NO. 7-2005

30.12. APPLICATION FOR BUILDING PERMIT.

1. Any person required to have a building permit shall submit a complete application to the Building Commissioner.
2. This application shall be submitted on a form prepared by the Building Commissioner, and shall contain the following:
 - (a) Information that the Building Commissioner determines to be necessary to locate and contact the applicant.
 - (b) A clear and understandable copy of detailed plans and specifications drawn to scale which indicate in a precise manner the nature and location of all work to be accomplished.
 - (c) A plot plan drawn to scale; provided, however, such plot plan shall not be required in the instance where all such construction is to occur entirely within an existing structure. This plot plan shall reflect the location of the structure in relation to existing property lines and show streets, curbs, sidewalks, easements and proposed changes or additions to such streets, curbs and sidewalks.
 - (d) If required by Indiana law or any rule of the Fire Prevention and Building Safety Commission, a copy of a Design Release for the work to be done that has been issued by the State Building Commissioner and the State Fire Marshal pursuant to IC 22-15-3.
 - (e) Any additional information that the Building Commissioner finds to be necessary to determine that the construction will conform to all applicable building laws and will not violate any other applicable ordinances or laws.
 - (f) The fee established by Chapter 34 of the Municipal Code of the City of Valparaiso.
3. Application for a building permit shall be made by the person entitled to obtain the permit or by an employee or agent of that person. The Building Commissioner may require that such an employee or agent provide written authority to apply for a permit.

30.13. REVIEW OF APPLICATION. Prior to the issuance of any building permit, the Building Commissioner shall:

- (1) Review all building permit applications to determine full compliance with the provisions of this code.
- (2) Review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding.
- (3) Review building permit applications for major repairs within the flood plain area having special flood hazards to determine that the proposed repair:
 - (a) uses construction materials and utility equipment that are resistant to flood damage, and
 - (b) uses construction methods and practices that will minimize flood damage.
- (4) Review building permit applications for new construction or substantial improvements within the flood plain area having special flood hazards to assure that the proposed construction, including industrialized building, mobile structure or manufactured home:
 - (a) are protected against flood damage,
 - (b) are designed or modified and anchored to prevent flotation, collapse, or lateral movement of the structure, flood damage, and
 - (c) use construction methods and practices that will minimize flood damage.

30.14. OTHER ORDINANCES. All work done under any permit shall be in full

ORDINANCE NO. 7-2005

compliance with all other ordinances pertaining thereto, and in addition to the fees for building permits any fees prescribed in any of the other ordinances shall be paid.

30.15. CERTIFICATE OF OCCUPANCY. No certificate of occupancy for any building or structure erected, altered or repaired after the adoption of this code shall be issued unless such building or structure was erected, altered or repaired in compliance with the provisions of this code. It shall be unlawful to occupy any such building or structure unless a full, partial or temporary certificate of occupancy has been issued by the Building Commissioner.

30.16. PARTIAL CERTIFICATES OF OCCUPANCY. The Building Commissioner may issue a Partial Certificate of Occupancy for part of a building, structure or site prior to the occupancy of the entire building, structure or site provided that such portions of the building, structure or site are in conformity with the provisions of this and all other pertinent ordinances. Partial Certificates of Occupancy will not be issued on one and two family dwellings.

30.17. TEMPORARY CERTIFICATES OF OCCUPANCY. The Building Commissioner may issue a Temporary Certificate of Occupancy provided that such Temporary Certificate of Occupancy shall not remain in force more than fifteen (15) days (except for weather related conditions) after the building or structure is fully completed and ready for occupancy and provided further that such building, structure and/or site is in conformity with the provisions of this and all other pertinent ordinances. A request for a Temporary Certificate of Occupancy shall be submitted on a form prepared by the Building Commissioner and assessed the fee established in Chapter 34 of the Municipal Code of the City of Valparaiso.

30.18. INSPECTIONS. All construction shall be subject to periodic inspections by the Building Commissioner irrespective of whether a building permit has been or is required to be obtained. The Building Commissioner or his duly authorized representatives, upon presentation of proper credentials, may at any reasonable time go in, upon, around or about the premises where any structure subject to the provisions of this Building Code or to the rules of the Fire Prevention And Building Safety Commission is located for the purposes of inspection and investigation of such structure. Such inspection and investigation may be made before and/or after construction on the project is completed for the purposes of determining whether the structure meets building standards and procedures, and ascertaining whether the construction and procedures have been accomplished in a manner consistent with the Building Code and the rules of the Fire Prevention and Building Safety Commission.

The Building Commissioner and the Fire Department shall work cooperatively to conduct inspections and investigations to promote compliance with fire safety laws (The Fire Department has independent authority to conduct inspections and take enforcement actions under IC36-8-17).

30.19. WITHHOLD ISSUANCE OF PERMITS. Whenever a person which is either an applicant for a building permit or an obtainer of a building permit owes fees (including checks returned for insufficient funds), permit fees owed pursuant to Chapter 34 of the Municipal Code of the City of Valparaiso, fees or fines pertinent to any other applicable ordinance, or inspection fees owed pursuant to Chapter 34 of the Municipal Code of the City of Valparaiso to the Building Commissioner, the Building Commissioner may withhold the issuance of subsequently requested permits until such time that the debt is satisfied. Whenever a person applies for a building permit for a structure that is not being used or

ORDINANCE NO. 7-2005

constructed in conformance with applicable provisions of an applicable zoning ordinance or other ordinance relating to land use, the Building Commissioner is authorized to withhold the issuance of requested permits until such time that the property is brought into conformance with applicable ordinances.

30.20. PERMIT REVOCATION. The Building Commissioner may revoke a building permit when any of the following are applicable:

- (1) The application, plans or supporting documents contain a false statement of misrepresentation as to a material fact.
- (2) The application, plans or supporting documents reflect a lack of compliance with building standards and procedures.
- (3) There is failure to comply with the Building Code.
- (4) The structure for which the building permit has been issued is not being used or constructed in conformance with an applicable zoning ordinance or other ordinance relating to land use.

30.21. STOP-WORK ORDER. The Building Commissioner may issue an order requiring suspension of the pertinent construction (stop-work order) in accordance with this section. The stop work order shall:

- (1) Be in writing.
- (2) State with specificity the construction to which it is applicable and the reason for its issuance.
- (3) Be posted on the property in a conspicuous place.
- (4) If practicable, be given to the person doing the construction and to the owner of the property or the owner's agent.
- (5) The stop-work order shall state the conditions under which construction may be resumed.

The Building Commissioner may issue a stop-work order if:

- (1) Construction is proceeding in an unsafe manner, including, but not limited to, in violation of any standard set forth in this Building Code or any state law pertaining to safety during construction.
- (2) Construction is occurring in violation of the Building Code or in such a manner that if construction is allowed to proceed, there is a reasonable probability that it will be substantially difficult to correct the violation.
- (3) Construction for which a building permit is required is proceeding without a building permit being in force.

The issuance of a stop-work order shall in no way limit the operation of penalties provided elsewhere in this Building Code.

30.22. PENALTIES. Any person, firm or corporation who violates any of the provisions of this code, does any act prohibited herein or fails to perform any duty lawfully enjoined, within the time prescribed by the Building Commissioner or fails, neglects or refuses to obey any lawful order given by the Building Commissioner in connection with the provisions of the code, may be subject to a fine in any sum not exceeding two thousand five hundred dollars (\$2,500). The assessment of a monetary penalty shall in no way limit the operation of the penalties provided elsewhere in this Building Code.

30.23. RIGHT OF APPEAL. Any person aggrieved by an order issued under this Building Code shall have the right to petition for review of any order of the Building Commissioner. Such a person may file a petition using either, or both, of the following procedures:

1. Appeal to the Fire Prevention and Building Safety Commission.
 - (a) A person aggrieved by an order issued under this Building Code may appeal to the Fire Prevention and Building Safety Commission, in accordance with IC 22-13-2-7.

ORDINANCE NO. 7-2005

- (b) The Commission may modify or reverse any order issued by the City that covers a subject governed by IC 22-12, IC 22-13, IC 22-14, IC 22-15, a fire safety, or a building rule.
 - (c) The Fire Prevention and Building Safety Commission must review orders that concern a Class 2 structure if the person aggrieved by the order petitions for review under IC 4-21.5-3-7 within thirty (30) days after the issuance of the order.
 - (d) The Fire Prevention and Building Safety Commission may review all other orders issued under this Building Code.
 - (e) The review of an order by the Fire Prevention and Building Safety Commission does not suspend the running of the time period under any statute in which a person must petition a court for judicial review of the order.
2. Appeal to an Established Local Administrative Body of Court. The City, pursuant to IC 36-1-6-9, has established by ordinance that a person shall have the right to appeal the Building Commissioner's decision first through the Board of Public Works and Safety of the City of Valparaiso.

30.24. ADOPTION OF RULES BY REFERENCE.

1. Pursuant to IC 22-13-2-3(b), the rules of the Indiana Fire Prevention and Building Safety Commission as set out in the following Articles of Title 675 of the Indiana Administrative Code are hereby incorporated by reference in this code and shall include any later amendments to those rules.
- (a) Article 13 – Building Codes
 - (1) Fire and Building Safety Standards
 - (2) Indiana Building Code
 - (b) Article 14 – Indiana Residential Code
