ORDINANCE

AN ORDINANCE authorizing the City of Valparaiso, Indiana, to make temporary loans to meet current running expenses for the use of the Special Fire Protection Territory General Fund of the Issuer, in anticipation of and not in excess of current taxes levied in the year 2015, and collectable in the year 2016; authorizing the issuance of temporary loan tax anticipation warrants to evidence such loans and the sale of such warrants to the Indiana Bond Bank; and appropriating and pledging the taxes to be received in such funds to the punctual payment of such warrants including the interest thereon.

WHEREAS, the Common Council (the “Fiscal Body”) of the City of Valparaiso, Indiana (the “Issuer”), has determined that there will be an insufficient amount of money in the Special Fire Protection Territory General Fund of the Issuer (the “Fund(s)”) to meet the current running expenses of the Issuer payable from such Funds during the fiscal year ending on the last day of December 2016, and prior to the respective June 2016 (that is, the first) and December 2016 (that is, the second and final) settlements and distribution of taxes levied for such Funds; and

WHEREAS, the Fiscal Body now finds that an emergency exists for the borrowing of money to pay current running expenses and that temporary loans for the Funds for such purposes should be made and that temporary loan tax anticipation warrants evidencing such loans should be issued and sold, subject to the terms and conditions set forth herein and in accordance with the provisions of Indiana law; and

WHEREAS, the Fiscal Body has determined to participate in the 2016 Advance Funding Program (the “Program”) established by the Indiana Bond Bank (the “Bond Bank”) whereby the Bond Bank will purchase the temporary loan tax anticipation warrants and/or temporary interim warrants of the Issuer; and

WHEREAS, in order to participate in the Program, the Fiscal Body may be required to issue and sell its temporary loan tax anticipation warrants to the Bond Bank prior to the final certification of the annual budget levy and tax rates for such Funds for fiscal year 2016 by the Indiana Department of Local Government Finance; and

WHEREAS, the levy proposed for collection for the Funds in 2016 is estimated to produce in the aggregate, with respect to such Funds, an amount equal to or in excess of the principal of and interest on the temporary loans for such Funds; and

WHEREAS, a necessity exists for the making of temporary loans evidenced by temporary loan tax anticipation warrants for the Funds in anticipation of the receipt of current tax revenues for such Funds levied for the year 2015 and in the course of collection in 2016 and the Fiscal Body desires to authorize the making of temporary loans to procure the amounts necessary, in combination with other available amounts, to meet such current running expenses

for such Funds and to pay necessary costs incurred in connection with the issuance and sale of temporary loan tax anticipation warrants to evidence such temporary loans; and

WHEREAS, the Issuer has not previously issued temporary loan tax anticipation warrants payable from 2016 tax revenue with respect to the Funds; and

WHEREAS, the Fiscal Body seeks to authorize the issuance of such temporary loan tax anticipation warrants and/or temporary interim warrants with respect to the Funds and the sale of such warrants to the Bond Bank pursuant to the provisions of Indiana Code 5-1.5, subject to and dependent upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF VALPARAISO, INDIANA, AS FOLLOWS:

Section 1. It is hereby found and declared that an emergency exists for the borrowing of money and therefore the Issuer is hereby authorized to make temporary loans to meet current running expenses for the use and benefit of each of the Funds of the Issuer in anticipation of estimated current tax revenues levied for the year 2015 and in the course of collection for such Funds in 2016, which loans shall be evidenced by temporary loan tax anticipation warrants of the Issuer (the "Warrant(s)") issued pursuant to the provisions of Indiana Code 36-4-6-20 as in effect on the date of their respective issuance. A separate Warrant or Warrants shall be issued for each Fund and each maturity date and all Warrants shall be dated as of the date of delivery thereof to the Bond Bank. Subject to the provisions of Indiana Code 36-4-6-20 as in effect on the date of their respective issuance, the Issuer is authorized to issue Warrants maturing and payable on or before December 31, 2016, in aggregate amounts not to exceed the following for the respective identified funds:

Special Fire Protection Territory General Fund: \$6,198,400.

The Warrants shall bear interest prior to maturity at a rate or rates per annum not to exceed a maximum of six and one-half percent (6.5%). The exact rate or rates are to be determined under the terms of a warrant purchase agreement between the Bond Bank and the Issuer to be entered into prior to the sale of the Warrants to the Bond Bank (together with any supplements thereto, referred to as the "Warrant Purchase Agreement"), in accordance with the provisions of Indiana Code 5-1.5. Interest shall be calculated on the basis of a 360-day year comprised of twelve 30-day months.

Notwithstanding any provision in this Ordinance (or in the Warrant Purchase Agreement available to the Issuer as of the date of the adoption and approval of this Ordinance and incorporated by reference into this Ordinance), conforming changes may be made by the Issuer's officers to the form of any Warrant and the Warrant Purchase Agreement prior to the issuance of Warrants to provide the due date of the Warrants, which may be June 30, 2016, December 31, 2016, or a date fixed by reference to the Issuer's receipt of its settlement of the funds in anticipation of which any Warrant is issued, or any combination thereof.

The Issuer is authorized to make payments of principal of and interest on the Warrants by paying the amount due from funds that are available for immediate transfer or investment on or before 12:00 noon (Indianapolis time) on the due date to The Huntington National Bank (or if The Huntington National Bank is not selected or determined by the Bond Bank at the time of the issuance of the Indiana Bond Bank Advance Funding Program Notes, Series 2016, to serve as the Trustee, then to such other corporate trustee as may be specified as the Trustee in the Note Indenture), the Bond Bank's Trustee (the "Trustee") under the Note Indenture to be dated as of or about January 1, 2016. Subject to Section 11 hereof, the Warrants may not be prepaid prior to the Due Date (as defined in the Warrant Purchase Agreement and in each Warrant) without the express written consent of the Bond Bank. In the event that the principal of and interest on the Warrants are not paid in full on the Due Date, the total amount due and owing on such Due Date (equal to the unpaid principal and accrued interest thereon to such Due Date) shall thereafter bear interest at the per annum rate equal to the Reinvestment Rate (as defined in the Warrant Purchase Agreement) until paid. In addition, the Issuer shall be responsible for payment to the Bond Bank of its allocable portion of all fees and expenses attributable to a request for payment under the Credit Facility Agreement (as defined in the Warrant Purchase Agreement) resulting from a failure by the Issuer to pay in full the principal of and interest on the Warrants on their Due Date.

With the force and effect provided for in Indiana Code 5-1-5-9 and -10, the Qualified Entity (as defined in the Warrant Purchase Agreement) hereby irrevocably pledges and appropriates the proceeds of the Warrants, or other legally available monies as are required to provide for the payment of all outstanding warrants (including interest thereon) (including any interim warrants issued pursuant to this Ordinance) with any maturity date on or before December 31, 2016, related to any Fund against which a Warrant is issued pursuant to this Ordinance, and covenants to so apply the proceeds thereof, on and as of the date of issuance of the Warrants, to their payment unless the Bond Bank has consented in writing to such warrants remaining outstanding after the issuance of the Warrants. Only with the written consent of the Bond Bank may the Qualified Entity hereafter issue warrants on a parity with the Warrants to be issued pursuant to this Ordinance.

Section 2. With respect to each Fund and each maturity, the officers of the Issuer are authorized to deliver a principal amount of the Warrants up to or less than the maximum amount established for any such Fund and maturity date in Section 1 hereof in order to comply with all applicable laws and any requirements of the Bond Bank. The Warrants will be delivered on or about January 28, 2016, or otherwise as appropriate and in accordance with the terms of the Warrant Purchase Agreement. In the event that the Issuer anticipates incurring cash flow deficits after the issuance and sale of the Warrants to the Bond Bank, the Issuer is hereby authorized to issue and sell additional warrants to the Bond Bank as appropriate and in accordance with the terms of the Warrant Purchase Agreement (as supplemented from time to time) and consistent with the two (2) preceding sentences.

In the event that the Issuer anticipates incurring cash flow deficits prior to the issuance and sale of the Warrants to the Bond Bank, the Issuer is hereby authorized to issue and sell temporary interim warrants to the Bond Bank. The issuance and sale of the temporary interim warrants shall be on substantially the same terms as the issuance and sale of the Warrants to the Bond Bank, all as set forth in the Warrant Purchase Agreement. In the event that temporary

interim warrants are issued, all or a portion of the proceeds of the Warrants may be used to repay the temporary interim warrants. Provisions of this Ordinance relating to the issuance of Warrants shall also relate to the issuance of temporary interim warrants to the extent applicable. The aggregate amount of any such temporary interim warrants shall not count against the amount limitation recited in Section 1 hereof and applicable to the Warrants.

Section 3. The principal of and interest on the Warrants shall be payable from tax revenues to be received in the respective Fund upon which such Warrant is issued. There is hereby appropriated and pledged to the payment of the Warrants issued with respect to each Fund, including interest and all necessary costs incurred in connection with the issuance and sale of the Warrants, a sufficient amount of the taxes, levied for 2015, and payable in 2016, for such Fund and in anticipation of which the Warrants are issued, for the punctual payment of the principal of and interest on the Warrants evidencing such temporary loans, together with such issuance costs, if any. The principal amount of all Warrants maturing on any date shall be based on the 2016 annual budget levy for the Fund as estimated or certified by the Indiana Department of Local Government Finance. For purposes of this Ordinance, fifty percent (50%) of the annual budget levy shall be deemed to equal the amount of taxes estimated by the County Auditor to be collected for and distributed to such Fund at each of the June 2016 (that is, the first) and December 2016 (that is, the second and final) settlement and distribution of such revenues.

Section 4. The Warrants issued hereunder with respect to the Funds shall be executed in the name of the Issuer by the manual or facsimile signature of the Mayor of the City of Valparaiso, Indiana, and attested by the Clerk-Treasurer of the City of Valparaiso, Indiana, or such other officers of the Issuer as may be permitted by law, provided at least one (1) of such signatures is manually affixed. In case any officer whose signature or facsimile signature appears on the Warrants shall cease to be such officer before the delivery of the Warrants, the signature of such officer shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery. All Warrants shall be payable in lawful money of the United States of America at the principal corporate trust office of the Trustee. Further, the Warrants shall not be delivered and no payment shall be made therefor prior to the first day of January 2016.

Section 5. The Warrants with respect to each Fund shall be issued in substantially the following form (with all blanks, changes, additions and deletions, including the appropriate amounts, dates and other information to be properly completed prior to the execution and delivery thereof, as conclusively evidenced by the signatures of the officers of the Issuer affixed thereon):

Section 6. The fiscal officer of the Issuer (the "Fiscal Officer") is hereby authorized and directed to have the Warrants prepared, and each of the executive officers of the Issuer, or such other officers as may be permitted by law, are hereby authorized and directed to execute the Warrants in the manner and substantially the form provided in this Ordinance, as conclusively evidenced by their execution thereof.

Section 7. The Fiscal Officer, on behalf of the Issuer, is authorized to sell to the Bond Bank the Warrants. The Warrant Purchase Agreement shall set forth the definitive terms and conditions for such sale. Warrants sold to the Bond Bank shall be accompanied by all documentation required by the Bond Bank pursuant to the provisions of Indiana Code 5-1.5 and the Warrant Purchase Agreement, including without limitation, an approving opinion of Bose McKinney & Evans LLP, specially designated qualified obligation bond counsel for the Warrants under the terms set forth in such firm's letter to the Issuer; certification and guarantee of signatures (or if permitted by the Bond Bank, such other evidence of the authenticity of signatures); and certification as to no litigation pending as of the date of delivery of the Warrants to the Bond Bank challenging the validity or issuance of the Warrants. The entry by the Issuer

into the Warrant Purchase Agreement and the execution of the Warrant Purchase Agreement, on behalf of the Issuer by any of the executive officers of the Issuer, or such other officers as may be permitted by law, in accordance with this Ordinance, are hereby authorized and approved.

Section 8. The proper officers of the Issuer are hereby authorized to deliver the Warrants to the Bond Bank, upon receipt from the Bond Bank of the payment or otherwise as appropriate and in accordance with the terms of the Warrant Purchase Agreement.

Section 9. Each of the executive officers of the Issuer (including, without limitation, any Authorized Official as defined in the Warrant Purchase Agreement), or such other officers as may be permitted by law are hereby authorized and directed to make such filings and requests, deliver such certifications, execute and deliver such documents and instruments, and otherwise take such actions as are necessary or appropriate to carry out the terms and conditions of this Ordinance and the actions authorized hereby and thereby.

Section 10. The Issuer hereby covenants that the Issuer and its officers shall not take any action or fail to take any action with respect to the proceeds of any of the Warrants or any investment earnings thereon which would result in constituting any of the Warrants as “arbitrage bonds” under the Internal Revenue Code of 1986, as amended, and any and all final or proposed regulations or rulings applicable thereto, or which would otherwise cause the interest on any of the Warrants to cease to be excludable from gross income for purposes of federal income taxation; and the Fiscal Officer and all other appropriate officers are hereby authorized and directed to take any and all actions and to make and deliver any and all reports, filings, and certifications as may be necessary or appropriate to evidence, establish, or ensure such continuing exclusion of the interest on the Warrants.

Section 11. Notwithstanding any other provision of this Ordinance to the contrary, the Issuer may prepay all or a portion of the principal of and interest on the Warrants in the manner and at the times set forth in the Warrants and Section 3.6 of the Warrant Purchase Agreement.

Notwithstanding any other provision of this Ordinance or any Warrant, in the event any determination has been made by any court of proper jurisdiction whereby a finding or ruling is made to the effect that, absent application of this provision, the aggregate amount of any Warrant (whether as to its principal or interest amounts or both) exceeds the maximum amount that is permitted by law to be issued and outstanding for the maturity date stated therein (such excess over any such limitation referred to as the “Excess Amount”) and such would otherwise cause a Warrant to be invalid, then the form of the Warrant that was issued shall be deemed to be modified from that stated on its face in such a manner to first deem the Excess Amount to be a separate additional Warrant identical in terms to the original except that it shall have as its “due date” June 30, 2016, and its “principal sum” an amount equal to the maximum remaining permitted amount for all warrants with such a due date (a “Replacement Warrant”), provided, however, if an Excess Amount exceeds the principal amount of such a Replacement Warrant, such remaining balance should be treated as a fee charged by the Bond Bank pursuant to Section 5.9 of its Warrant Purchase Agreement with the Qualified Entity and not treated as part of the principal sum of any Warrant or Replacement Warrant.

Section 12. This Ordinance shall be in full force and effect from and after the time it has been adopted and approved by the Fiscal Body. All resolutions and ordinances in conflict herewith are, to the extent of such conflict, hereby repealed. For the benefit of the Bond Bank, the Fiscal Body hereby finds and determines that the adoption and approval of this Ordinance is intended to be, and for all purposes shall be deemed to be, an ordinance authorizing the sale of obligations within the meaning of Indiana Code 36-4-6-20(c), and accordingly no action to contest the validity of any Warrants authorized herein, and hereafter issued, may be brought more than fifteen (15) days after the date set forth below.

Each of the foregoing representations and warranties will be deemed to have been made by the Qualified Entity as of the date of this Agreement and as of the date of any purchase of Warrants made by the Bond Bank hereunder.

SECTION 3. Purchase and Sale of Warrants.

3.1 Agreement to Purchase and Sell. Subject to Section 3.4 hereof, the Bond Bank hereby agrees to purchase the Warrants to be issued by the Qualified Entity maturing on June 30, 2016, the First Settlement Payment Due Date, and/or December 31, 2016, in the principal amounts set forth in Attachment A attached hereto, and the Qualified Entity hereby approves and agrees to issue and sell such Warrants to the Bond Bank.

In the event that the Qualified Entity has notified the Bond Bank in writing that it requires funding as a result of cash flow deficits expected to be incurred prior to January 28, 2016 (or the date on which proceeds of the Notes are expected to be disbursed to the Qualified Entity), the Qualified Entity may sell and the Bond Bank may purchase interim temporary loan tax anticipation warrants in a principal amount not to exceed the principal amount of Warrants authorized to be issued and to mature on June 30, 2016 (or if applicable by the terms of any Warrant, the First Settlement Payment Due Date), and December 30, 2016, for each fund. The interim warrants shall be issued and sold on substantially the same terms and conditions set forth in this Agreement for the sale and purchase of Warrants; provided, however, that such interim warrants will be repaid with the proceeds of the Warrants on the date on which proceeds of the Notes are disbursed to the Qualified Entity. If any interim warrants are purchased by the Bond Bank pursuant to this Agreement, notwithstanding the stated maturity date of the interim warrants to the contrary, the Qualified Entity agrees to cause its Warrants to be issued in an amount at least sufficient to permit it to prepay all such interim warrants (including interest thereon) as otherwise provided for herein.

Further, in the event that the Qualified Entity requires additional funding as a result of cash flow deficits expected to be incurred after the last business day of June 2016, and prior to December 31, 2016, the Qualified Entity may sell and the Bond Bank may purchase additional warrants maturing by December 30, 2016, in principal amounts set forth in a supplemental agreement entered into by the Bond Bank and the Qualified Entity pursuant to Section 6.1 hereof. The additional warrants shall be issued and sold on substantially the same terms and conditions set forth in this Agreement for the sale and purchase of the Warrants; provided, however, that the additional warrants shall bear interest prior to their due date at the per annum rate determined by the Bond Bank and set forth in a supplemental agreement.

The term "Warrants" as used in this Agreement shall be deemed to include the temporary interim warrants and the additional warrants to the extent applicable.

3.2 Terms of Purchase. The Warrants shall be purchased at a price equal to one hundred percent (100%) of the par value thereof. The terms of the Warrants shall be set forth in the resolution or ordinance of the Qualified Entity authorizing the issuance and sale of the Warrants to the Bond Bank, and the form of the Warrant shall be substantially in the form set forth in Attachment B attached hereto. The Warrants shall bear interest prior to their due date or dates at the per annum rate or rates determined by the Bond Bank and to be set forth in Attachment A attached hereto, prior to the date of issuance and delivery of the Warrants to the Bond Bank, with such rates not to exceed six-and-one-half percent (6.5%) per annum. Interest on the Warrants shall be computed on the basis of a 360-day year comprised of twelve 30-day months. To the extent permitted by law and in accordance with Section 3.5 of this Agreement or otherwise by the determination of the Bond Bank, any Warrant upon which principal and interest at its stated rate is not paid on or before the due date shall bear interest on such past due principal and accrued interest at the Reinvestment Rate thereafter until paid.

3.3 Method of Payment. The Bond Bank shall make payment for the Warrants purchased by it pursuant to this Agreement by causing the Trustee to make payment therefor to the Qualified Entity from the Warrant Purchase Account established for the Qualified Entity within the Warrant Purchase Fund under the Indenture.

3.4 Closing on Warrants. The purchase and sale of the Warrants shall be consummated at 12:00 noon (Indianapolis time) on January 28, 2016, or such other date and time, and at a location, agreed upon by the Bond Bank, the Qualified Entity, and the Trustee; provided, however, that if the Bond Bank does not execute a note purchase agreement for the sale of the Notes prior to January 28, 2016, and deliver the Notes and receive payment therefore, on or before January 28, 2016, or if the Qualified Entity has not taken all actions and received all approvals required by the laws of the State and by the Code for the issuance and sale of the Warrants, then the Bond Bank may rescind this Agreement by giving written notice to the Qualified Entity.

3.5 Payment of Warrants. Prior to the due date of the Warrants, the Trustee will give notice to the Authorized Official that payment is due thereon; provided, that any failure by the Trustee to give such notice shall not relieve the Qualified Entity of its obligation to repay its Warrants when due. In any event, the Trustee shall present Warrants for payment on or before their respective due date, which shall be June 30, 2016 (or if applicable by the terms of any Warrant, the First Settlement Payment Due Date), and/or December 30, 2016. The principal of and interest on the Warrants shall be due on the due date. The Qualified Entity agrees to provide for the timely payment of the principal of and interest on the Warrants in funds that are received by and available for immediate transfer or investment by the Trustee on or before 12:00 noon (Indianapolis time) on the due date. After 12:00 noon (Indianapolis time) on the due date, the total amount due and owing on the Warrants on the due date (unpaid principal and accrued interest to such due date) will bear interest at the Reinvestment Rate until paid in full.

3.6 Prepayment. The Qualified Entity shall not be permitted to prepay or effect the prepayment of all or any portion of the principal amount of Outstanding Warrants without the express written consent of the Bond Bank. Interim warrants, if any, shall be prepaid with the proceeds of Warrants as described in Section 3.1 hereof.

3.7 Request for Advance Distributions. The Qualified Entity shall, not later than May 15, 2016, if the Qualified Entity issues Warrants maturing on June 30, 2016 (or if applicable by the terms of any Warrant, the First Settlement Payment Due Date), and November 15, 2016, submit a request in the form attached hereto as Attachment C and in accordance with Indiana law to the County Treasurer for an Advance Distribution of not less than ninety-five percent (95%) of the tax collections for each fund in anticipation of which its Warrants have been issued and sold to the Bond Bank under the Program.

3.8 Receipt of Advance Distributions. In the event the Qualified Entity receives an Advance Distribution from the Auditor or other moneys in lieu thereof, and the total of all Advance Distributions or other moneys in lieu thereof received exceeds five percent (5%) of the total taxes in anticipation of which the Warrants were issued, then the Qualified Entity shall invest such amounts from the date of receipt of such amounts until the date of disbursement of such amounts for payment of Outstanding Warrants, in investments which (i) mature no later than June 30, 2016 (or the date fixed for prepayment of Warrants in accordance with Section 3.6 hereof), with respect to amounts for payment of Outstanding Warrants due June 30, 2016 (or if applicable by the terms of any Warrant, the First Settlement Payment Due Date), and mature no later than December 30, 2016 (or the date fixed for prepayment of Warrants in accordance with Section 3.6 hereof), with respect to amounts for payment of Outstanding Warrants due December 30, 2016, and are limited solely to interest-bearing time deposits or certificates of deposit of any bank, trust company or national banking association which is a member of the Federal Reserve System and which is designated as a depository under and a participant in the Public Deposits Insurance Fund of the State of Indiana; or (ii) have been approved by the Bond Bank.

SECTION 4. Further Conditions and Limitations.

c. A copy of the resolution(s) or ordinance(s) of the Qualified Entity authorizing the issuance of such Warrants thereunder and appropriating and pledging funds for their repayment, certified by an authorized officer of the Qualified Entity, or extracts so certified from the minutes of the meeting of the Qualified Entity at which such resolution(s) or ordinance(s) was (were) adopted and approved, setting forth such resolution(s) or ordinance(s) in full;

d. An Opinion of Bond Counsel, in form and substance acceptable to the Bond Bank and the Trustee, to the effect that the Warrants have been duly and validly issued, represent valid and binding obligations of the Qualified Entity under Indiana law, and bear interest that is excludable from gross income under Section 103 of the Code for purposes of federal income taxation;

e. A signed copy of the opinion or certificate of counsel to the Qualified Entity substantially in the form set forth in Attachment D attached hereto;

f. A copy of the transcript of proceedings in which the Qualified Entity has authorized the issuance and sale of the Warrants to the Bond Bank; and

4.2 Additional Limitation. (a) Notwithstanding any other provision of this Agreement, the Cumulative Cash Flow Deficit for the Tax Period must be reasonably anticipated to exceed ninety percent (90%) of the aggregate amount of proceeds of warrants (including but not limited to Warrants issued under this Agreement) and other obligations issued by the Qualified Entity pursuant to the provisions of the Indiana Code in anticipation of the receipt of revenues levied and in the course of collection for the applicable fund. In addition, the aggregate amount of Warrants issued and sold hereunder shall not exceed amounts authorized to be issued by the Qualified Entity pursuant to the Code and Indiana law.

(b) Notwithstanding any other provision of this Agreement, the Bond Bank shall not be obligated to purchase any Warrant of the Qualified Entity if the Bond Bank is then in default or in violation or breach of any covenant or agreement under the Indenture or if such purchase would cause the Bond Bank to be in default, violation or breach of any covenant or agreement under the Indenture.

SECTION 5. Agreements by Qualified Entity.

5.1 Consent by Qualified Entity. The Qualified Entity consents and agrees to the assignment and pledge by the Bond Bank of Warrants, all payments on the Warrants, and all rights of the Bond Bank under this Agreement, to the Trustee under the provisions of the Indenture to secure the Notes, and thereafter to the Credit Facility Provider under the provisions of the Credit Facility Agreement.

5.2 Valid and Binding Obligations. The Qualified Entity shall issue all Warrants to be purchased by the Bond Bank in compliance with the statutes of the State so that such Warrants will be the valid, binding and enforceable obligations of the Qualified Entity for the payment of the sums set forth therein from the funds pledged to their payment. Only with the written consent of the Bond Bank may the Qualified Entity hereafter issue warrants on a parity with the Warrants issued pursuant to the ordinance and purchased under this Agreement.

5.3 Form of Warrants. The Qualified Entity shall issue Warrants which are to be purchased by the Bond Bank in a form which shall be in compliance with the statutes of the State and substantially in the form set forth in Attachment B attached hereto with appropriate modifications for the type of political subdivision represented by the Qualified Entity.

5.4 Prohibitions Against Certain Other Borrowing. Notwithstanding any other provision of this Agreement to the contrary, for so long as any Warrant which has been issued in anticipation of revenues of a fund remains outstanding, the Qualified Entity shall not, without the consent of the Bond Bank and the Credit Facility Provider, issue any warrant or comparable obligation for the then-current Fiscal Year; provided that the prohibition contained in this Section 5.4 shall not be violated by the Qualified Entity having issued warrants for a fund in anticipation of revenues that were originally anticipated for collection in the prior Fiscal Year but due to reassessment and related delays are now anticipated for collection in the Fiscal Year ending December 31, 2016, or by issuing warrants with the Bond Bank's consent, to refund any such warrant if such revenues remain in the course of collection.

5.5 Reports Relating to Cumulative Cash Flow Deficit. The Qualified Entity shall submit to the Bond Bank within fifteen (15) days after the end of each month during the Tax Period, beginning with April 2016, such information relating to the revenues, expenses, and funds of the Qualified Entity as shall be required to compute the Qualified Entity's Cumulative Cash Flow Deficit (within the meaning of Section 148(f)(4)(B) of the Code) with respect to each of the funds of the Qualified Entity for which Warrants have been issued. The Qualified Entity shall also submit (a) its computation for each month during the Tax Period of the Qualified Entity's Cumulative Cash Flow Deficit (within the meaning of Section 148(f)(4)(B) of the Code) with respect to each of the funds for which the Warrants have been issued, and (b) its determination of

whether the Qualified Entity's Cumulative Cash Flow Deficit for any such fund at any time during the Tax Period has exceeded ninety percent (90%) of the proceeds of the Warrants for such fund. At such time as the Qualified Entity makes such affirmative determination set forth in clause (b) above, the Qualified Entity shall so certify to the Bond Bank, and after making such certification, no further monthly information or computations with respect to such fund shall be required to be submitted hereunder.

5.6 Maintenance of Tax Exemption. The Qualified Entity hereby covenants that it will not take, or cause or permit itself or any party under its control to take, or fail to take, or cause or permit itself or any party under its control to fail to take, any action that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on its Warrants pursuant to Section 103 of the Code. The Qualified Entity further covenants that it will not do any act or thing that would cause any Warrant to be a "private activity bond" within the meaning of Section 141 of the Code or an "arbitrage bond" within the meaning of Section 148 of the Code and the regulations applicable thereto.

5.7 Arbitrage Rebate. The Qualified Entity covenants and agrees to take all actions necessary and appropriate to comply with the arbitrage rebate requirements under Section 148 of the Code to the extent applicable to the Qualified Entity or the Warrants, and to advise the Bond Bank with respect to such compliance and the need therefor. In furtherance of the foregoing, the Qualified Entity shall keep records of the investments made and the earnings on those investments out of the proceeds of the Warrants, and shall be responsible for accounting for and making provision for the payment of any and all amounts that may be required to be paid to the United States of America from time to time pursuant to Section 148 of the Code.

All responsibility for and expenses of compliance with the rebate requirements of Section 148(f) of the Code with respect to the Warrants, including without limitation, costs of computation of any rebate amount and any required rebate payments to the United States of America, shall be borne and undertaken solely by the Qualified Entity.

5.8 Remedies of the Bond Bank. The Qualified Entity acknowledges and agrees that, in the event of the Qualified Entity's default on any of its obligations hereunder or under any Warrant, the Bond Bank (and the Credit Facility Provider under the provisions of the Credit Facility Agreement, to the extent that amounts are owed to the Credit Facility Provider under the Credit Facility Agreement) shall have any and all remedies available at law or in equity for the enforcement of such obligation, including without limitation and subject to the condition that the same shall not affect the validity of the Warrants, the remedies set forth in the Act. The Qualified Entity further covenants and agrees that, in the event that any default on the payment of principal of or interest on a Warrant is attributable to or arises from an action or omission by a third party, governmental official, or other entity in failing to pay over taxes to or collected by the Qualified Entity, thereby giving rise to a cause of action in law or at equity against such third party, official, or entity, the Qualified Entity will diligently prosecute such cause of action in its own name or, at the option of the Bond Bank (and the Credit Facility Provider under the provisions of the Credit Facility Agreement, if amounts are owed to the Credit Facility Provider under the Credit Facility Agreement), and to the extent permitted by law, assign to the Bond Bank (and the Credit Facility Provider under the provisions of the Credit Facility Agreement, if amounts are

owed to the Credit Facility Provider under the Credit Facility Agreement), the right to pursue such cause of action in the name of the Qualified Entity.

5.9 Additional Costs Imposed on the Qualified Entity. The Qualified Entity acknowledges that the Bond Bank is authorized under the Act to collect from qualified entities certain fees and charges for its services and that qualified entities are empowered under the Act to contract for and to pay such fees and charges. The Qualified Entity agrees to pay to the Bond Bank an amount, if any, equal to all costs and expenses incurred by or on behalf of the Bond Bank from time to time, including, but not limited to, the costs and expenses associated with (a) failure to sell all or any portion of the Warrants to the Bond Bank in accordance with Section 3.1 hereof; (b) arbitrage rebate compliance; (c) failure or delay of the payment of principal of or interest on the Warrants when due; or (d) failure by the Qualified Entity to comply with any of the provisions of this Agreement; and any and all such amounts shall be treated as fees of the Bond Bank for its services pursuant to Indiana Code 5-1.5-8-3. In addition, the Qualified Entity shall be responsible for payment to the Bond Bank of its allocable portion of all fees and expenses attributable to a request for payment under the Credit Facility Agreement resulting from a failure by the Qualified Entity to pay in full the principal of and interest on the Warrants on the due date.

5.10 Continuing Disclosure. (a) The Qualified Entity hereby covenants and agrees that, to the extent permitted by law, it will comply with and carry out all of the provisions of this section regarding continuing disclosure. Notwithstanding any other provision of this Agreement, failure of the Qualified Entity to comply with this section shall not be considered a default under the Warrants or the resolution(s) or ordinance(s) of the Qualified Entity authorizing the Warrants; however, the Trustee may (and, at the request of the holders of at least twenty-five percent (25%) in aggregate principal amount of Notes Outstanding, shall) or any Noteholder or Beneficial Owner may seek a mandate or specific performance by court order, to cause the Qualified Entity to comply with its obligations under this Section 5.10. The undertaking of the Qualified Entity to provide certain information pursuant to this Section will be described in the Preliminary Official Statement and will also be set forth in the Final Official Statement (or other information provided by the Bond Bank). The Trustee, Participating Underwriters, Noteholders and Beneficial Owners shall all be third-party beneficiaries of this Section 5.10 and shall have enforceable rights as set forth herein. Terms used in this Section but not defined herein shall have the meanings given to them in the Indenture or the Bond Bank Agreement.

(b) The Qualified Entity further agrees while the Notes are Outstanding or until the Warrants are legally defeased, redeemed or paid in full to give the Bond Bank notice of the occurrence of any of the following events (the "Listed Events") with respect to the Warrants:

Section 5.21 of the Indenture is hereby made applicable to this Section 5.10 as if this Section 5.10 were (solely for this purpose) contained in the Indenture.

Notwithstanding any other provision of this Agreement, the Bond Bank and the Qualified Entity may amend this Section 5.10 and any provision of this Section 5.10 may be waived, provided that the following conditions are satisfied:

- i. If the amendment or waiver relates to the provisions of Section 5.10(b), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the Qualified Entity with respect to the Warrants, or the type of business conducted;

**CITY OF VALPARAISO, INDIANA
CERTIFICATE REGARDING CERTAIN FEDERAL
TAX MATTERS AND ARBITRAGE**

The undersigned officers or officials (hereinafter each referred to as an “officer”) of the City of Valparaiso, Indiana (the “Issuer”), do hereby certify that each is the duly elected, qualified, and acting officer in the respective office designated beneath each signature. On behalf of the Issuer and in connection with the issuance by the Issuer of its Temporary Loan Tax Anticipation Warrants, Series 2016 (the “Warrants”), we further certify as follows:

1. In our official capacities we are familiar with (a) an ordinance adopted and approved by the Common Council of the City of Valparaiso, Indiana (the “Fiscal Body”), authorizing the Issuer to make temporary loans for the Special Fire Protection Territory General Fund of the Issuer (the “Fund(s)”), in anticipation of property taxes levied and in the course of collection for each Fund in the year 2016; (b) the financial condition and needs of the Issuer for the fiscal year ending on the last day of December 2016, including the estimated expenses payable from each Fund, amounts available for payment of such expenses, and the balances of each Fund; and (c) the issuance of the Warrants, maturing on the dates and in the principal amounts set forth in Attachment A to the Agreement (as defined herein).

2. This Certificate is being executed and delivered pursuant to Sections 1.148-0 through 1.148-11, 1.149(d)-1, 1.149(g)-1, 1.150-1, and 1.150-2 of the Treasury Regulations issued by the U.S. Department of the Treasury (the “Treasury Regulations”) under Sections 103(b)(2) and 148 of the Internal Revenue Code of 1986, as amended, and in effect on the date of delivery of the Warrants (the “Code”), for the purpose of setting forth certain applicable facts, estimates, and expectations of the Issuer on the date of this Certificate.

3. The records and books of account of the Issuer are kept under our supervision and direction, and we are the proper officers designated, authorized, and directed to take any and all actions and to make and deliver any and all reports, filings, and certifications as may be necessary or appropriate, including the certification described herein pursuant to Section 1.148-2(b)(2) of the Treasury Regulations, to evidence, establish, or ensure the continuing excludability of interest on the Warrants from gross income for purposes of federal income taxation.

4. The Warrants are being issued, sold, and delivered by the Issuer as the result of a negotiated sale between the Issuer and the Indiana Bond Bank (the “Bond Bank”) pursuant to the provisions of Indiana Code 5-1.5 and a certain Warrant Purchase Agreement, dated as of December 1, 2015 (the “Agreement”), at a per annum interest rate for the Warrants set forth in the Agreement.

5. The proceeds of the sale of the Warrants are being used for the purpose of providing money to pay the ordinary and necessary lawful expenses of the Issuer and all of such proceeds are needed for such purpose.

6. No person or entity, other than the Issuer or another governmental unit, will use proceeds of the Warrants or property financed by the proceeds of the Warrants other than as a member of the general public. No person or entity other than the Issuer or another governmental unit will own property financed by proceeds of the Warrants or will have actual or beneficial use of such property pursuant to a lease, a management or incentive payment contract, or any other type of arrangement that differentiates that person's or entity's use of such property from the use by the public at large.

7. No amount of the proceeds of any of the Warrants will be used, directly or indirectly, to make or finance loans other than the loans to each Fund authorized by ordinance of the Fiscal Body.

8. The Warrants are not and shall not be "federally guaranteed" as defined in Section 149(b) of the Code.

9. On behalf of the Issuer, we shall not take any action or omit to take any action which would result in any Warrant being classified as a "private activity bond" under the Code.

10. The Warrants will not be outstanding after a period ending thirteen (13) months after the date on which such obligations are issued because the Warrants are issued on or after the first day of January 2016, and mature and are payable no later than December 30, 2016.

11. Exhibit A attached hereto and made a part hereof contains schedules showing, with respect to each Fund, the amount of the estimated receipts, expenditures, and cash flow surplus (or deficit) anticipated to occur in each Fund in each month in 2016. The entries in Exhibit A have been prepared with the assistance of Crowe Horwath LLP, the financial advisor to the Bond Bank in connection with the Bond Bank's 2016 Advance Funding Program (with such additional or alternative program designations as the Bond Bank may designate). Such entries are further based on our best estimate of the expenses payable from each Fund and the amounts expected to be available for payment of such expenses and are accurate computations of projections of balances therefrom. With respect to Exhibit A, the entries therein are based upon historical financial experience as shown by the Issuer's books and records adjusted for fixed, known, and measurable changes for the fiscal year ending on the last day of December 2016.

12. There are no other accounts or funds of the Issuer which may, without legislative or judicial action, be invaded to pay such expenditures without a legislative, judicial, or contractual requirement that such accounts or funds be reimbursed.

13. The proceeds of the Warrants will not be used to finance, directly or indirectly, a working capital reserve.

14. Based on the projections set forth in Exhibit A, the working capital expenditures to be financed with the proceeds of the Warrants exceed, or will exceed at the time such proceeds are spent, "available amounts" as defined in the Treasury Regulations. "Available amounts" include any amount available to the Issuer for working capital expenditures of the type financed with the proceeds of the Warrants but excludes a reasonable working capital reserve equal to five percent

(5%) of the actual working capital expenditures for the prior fiscal year. The Issuer's working capital reserve for each Fund does not exceed five percent (5%) of the actual working capital expenditures for such Fund in fiscal year 2015.

15. On the basis of the foregoing, it is expected that the investment of the proceeds of the Warrants in acquired obligations will be an investment for a temporary period and, accordingly, the proceeds of all such Warrants and the earnings thereon will not be used in a manner that would cause the Warrants to be "arbitrage bonds" within the meaning of Sections 103 and 148 of the Code and the regulations promulgated thereunder and pertaining thereto.

16. Pursuant to the ordinance adopted and approved by the Fiscal Body for the purpose of authorizing and issuing the Warrants, the Issuer has covenanted, among other covenants, not to take any action or fail to take any action with respect to the proceeds of any of the Warrants or any investment earnings thereon which would result in constituting the Warrants as "arbitrage bonds" under the Code or any and all final or proposed regulations or rulings applicable thereto, or which would otherwise cause the interest on any of the Warrants to cease to be excludable from gross income for purposes of federal income taxation; provided, further, that the Issuer has authorized and directed the fiscal officer thereof and all other appropriate officers to take any and all actions and to make and deliver any and all reports, filings, and certifications as may be necessary or appropriate to evidence, establish, or ensure such continuing excludability of the interest on the Warrants.

Additionally, on behalf of the Issuer, we shall not take or permit the taking of any action or fail to take or permit the failure to take any action with respect to proceeds of any of the Warrants or any investment earnings thereon that would result in constituting any of the Warrants as an "arbitrage bond" under the Code, or which would otherwise cause or have the possible effect of causing the interest on the Warrants to cease to be excludable from gross income for purposes of federal income taxation, and that the Issuer shall comply with all "arbitrage" rebate requirements under Section 148 of the Code, if any, to the extent applicable.

17. There are no governmental obligations issued at substantially the same time as any of the Warrants, or sold pursuant to a common plan of financing with the Warrants, or payable out of substantially the same source of funds or having substantially the same claim to be paid out of substantially the same source of funds as will be used to pay the Warrants.

18. To the best of our knowledge and belief, there are no other facts, estimates, or circumstances that would change the conclusions set forth in this Certificate.

19. For purposes of Section 148(f)(4)(D) of the Code:

(a) The Issuer is a governmental unit with general taxing powers;

Indiana Bond Bank

City of Valparaiso, Indiana,

Re: City of Valparaiso, Indiana
Temporary Loan Tax Anticipation Warrants, Series 2016

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by City of Valparaiso, Indiana (the “Issuer”), of its Temporary Loan Tax Anticipation Warrants, Series 2016 (the “Warrants”), originally dated as of the date first above written, maturing on the identified date, in the identified principal amounts and for the respective identified funds as set forth on the attached Schedule A. The Warrants have been authorized and issued pursuant to an ordinance adopted and approved by the Issuer’s Common Council and are being sold to the Indiana Bond Bank (the “Bond Bank”) pursuant to a Warrant Purchase Agreement between the Bond Bank and the Issuer, dated as of December 1, 2015 (the “Agreement”).

We have examined the law and such certified proceedings and other certificates, instruments, and documents as we have deemed necessary or appropriate for purposes of rendering this opinion.

As to questions of fact material to our opinion, we have relied, without undertaking to verify the same by independent investigation, upon representations and certifications of public officials and others contained in the certified proceedings and other certificates, instruments, and documents furnished to us.

Based upon the foregoing, we are of the opinion that, under existing law:

¹ The Warrants are valid and binding obligations of the Issuer, with the principal of and interest thereon payable out of taxes heretofore levied upon all taxable property of the Issuer and currently in the course of collection for each respective above-referenced fund (the “Fund”). A sufficient amount of the tax revenues with respect to each Fund has been legally pledged and appropriated by the Issuer to pay when due the principal of and interest on the Warrants issued with respect to such Fund.

2. The Agreement has been duly authorized, executed, and delivered by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable in accordance with its terms.

3. The interest on the Warrants is excludable pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), from gross income for federal income tax purposes and the Warrants are not "private activity bonds" under Section 141 of the Code. The opinions set forth in the preceding sentence are subject to the condition that the Issuer comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Warrants in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The Issuer has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the interest on the Warrants to cease to be excludable from gross income for federal income tax purposes retroactive to the date of issuance of the Warrants. We express no opinion regarding any other federal tax consequences arising with respect to the Warrants.

4. The interest on the Warrants is exempt from taxation in the State of Indiana for all purposes except the Indiana financial institutions tax.

It is to be understood that the rights of the holders of the Warrants and the enforceability of the Warrants and the Agreement may be subject to bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,
