**NOW, THEREFORE**, in consideration of the foregoing and of the mutual covenants and agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties do hereby agree as follows:

**ARTICLE I. The Project**

1.1 The Project. Applicant will add approximately 2,770 square feet of additional office space. ("Project"). The Applicant commits to investing at least \$430,000 (excluding land acquisition costs) towards real property improvements. Such Project investments shall be of a quality, size, character and appearance substantially similar to Applicant's representations to the City. See Exhibit A

1.2 Project Assessment. Applicant represents and commits that the real property improvements, once completed, will have a minimum gross assessment of no less than \$220,000 excluding the assessed valuation on the preexisting real property (Minimum Assessed Value").

1.3 Development of Project. The Applicant commits to commence the Project within 45 days of this Agreement and agrees to complete the Project within one year of this Agreement ("Completion Date").

**ARTICLE II. Tax Abatement**

2.1 Tax Abatement: Subject to full compliance with the procedures required by law and to ongoing compliance by the Applicant for maintaining a tax abatement, the City will offer tax

abatement on the Project for a term of 4 years commencing tax year 2016/payable 2017 (having a schedule of 100%/60%/40%/20%).

2.2 Annual Information. During the term of the tax abatement and for a period of two (2) years thereafter, the City or its authorized agent may annually request information from the Applicant concerning the nature of the Project, the approved capital expenditures for the Project, the number of full-time permanent positions retained and newly created by the Project, and the average wage rates and salaries (excluding benefits & overtime) associated with the positions, and the Applicant shall provide the City with adequate written evidence thereof within 15 days of such request ("Annual Survey"). The City shall utilize this information and the information required to be filed by the Applicant in the CF-1 Compliance with the SB-1/RP form to verify that the Applicant has complied with the all commitments during the duration of the tax abatement. The Applicant further agrees to provide the City with such additional information requested by the City related to the information provided in the Annual Survey and the CF-1 form within a reasonable time following any such request.

2.3. Termination and Repayment.

A. Right to Terminate. The City, by and through the Council, reserves the right to terminate the tax abatement deductions if it determines that the Applicant has not substantially complied with all of the commitments (including, but not limited to the commitments of Sections 1.1-1.3 and 2.4).

B. Notice of Termination and Repayment. In the event that the City determines that the tax abatement deductions should be terminated or that all of the tax abatement savings should be repaid, it will give the Applicant notice of such determination, including a written statement calculating the amount due from the Applicant, and will provide the Applicant with an opportunity to meet with the City's designated representatives to show cause why the abatement should not be terminated and/or the tax benefits repaid. Such notice shall state the names of the person with whom the Applicant may meet and will provide that the Applicant shall have thirty (30) days from the date of such notice to arrange such meeting and to provide its evidence concerning why the abatement termination and/or tax benefits repayment should not occur. If, after giving such notice and receiving such evidence, if any, the City determines that the abatement termination and/or tax benefits repayment action is proper, the Applicant shall be provided with written notice and a hearing before the Council before any final action shall be taken terminating the abatement and/or requiring repayment of tax benefits. If the Council adopts a resolution terminating the tax abatement and/or requiring repayment of tax benefits, the Applicant shall be entitled to appeal that determination to a Porter County Superior or Circuit Court.

C. Time of Repayment. In the event that the City requires repayment of the tax abatement benefits as provided hereunder, it shall provide Applicant with a written statement calculating the amount due ("Statement"), and the Applicant shall make such repayment to the City within thirty (30) days of the date of delivery of the Statement, unless such repayment has been stayed pending an appeal. If the Applicant does not make timely repayment, the City shall be entitled to all reasonable costs and attorneys fees incurred in the enforcement and collection of the tax abatement savings required to be repaid hereunder.

D. Special Provision as to Default under Section 1.2. If, after completion of the Project or at any time during the term of the tax abatement, the Assessed Value of the Improvements, as determined by the Porter County Assessor, is greater than five percent (5%) below the Minimum Assessed Value, Applicant shall have the right, but not the obligation, to enter into a Payment in-lieu-of-Taxes ("PILOT") agreement with the City for the purpose of insuring full tax payments, as represented to the City, are paid during the term of the tax abatement. Absent entry of a PILOT agreement within sixty (60) days after notice is provided to the Applicant, the City may proceed under the terms of Section 2.3.

2.4 Local Contractors, Suppliers and Vendors. Applicant acknowledges the use of local incentives for this Project and recognizes the benefits of utilizing local contractors and suppliers. The City strongly urges Applicant to maximize the employment opportunities of the citizens, and resources found within Northwest Indiana. As a material part of this Agreement, Applicant agrees that it will use commercially reasonable efforts to employ price competitive contractors, suppliers and vendors located within Northwest Indiana (Porter, Lake, and LaPorte counties) with respect to the Project, and will additionally use such efforts to purchase materials and supplies from price competitive suppliers and vendors located within Northwest Indiana (Porter, Lake, and LaPorte counties). Upon request, Applicant shall provide the City an accounting of the Project as to the: i) contractors and suppliers used; and, ii) "commercially reasonable efforts" used by the Applicant. Failure to comply with this provision shall result in the revocation of Applicant's tax abatement.

2.5 Community Engagement. Applicant acknowledges, as a business within Valparaiso, its obligation (and that of its employees) to fully engage with the community and support groups, organizations, initiatives and institutions that contribute towards the betterment of Valparaiso. Such engagement and support may include, but is not limited to, financial contributions, volunteering of time, and/or participating in social, cultural, civic and religious events within Valparaiso. As a part of its annual filing of its CF-1, Applicant shall include an overview outlining what actions the Applicant and its employees have taken to satisfy its obligation.

2.6 Tax Abatement Fee. As provided by Indiana Code § 6-1.1-12.1-14, the City is imposing a fifteen percent (15%) fee on the tax abatement. Applicant consents to such fee. To the extent an Imposed Fee Letter is executed, such is incorporated by reference into this Agreement.
