

RESOLUTION 1-2010

CITY OF VALPARAISO

BOARD OF PUBLIC WORKS AND SAFETY

A RESOLUTION APPROVING A PARKING MANAGEMENT PLAN AND SETTING THE PARKING METER RATES
FOR THE CITY OF VALPARAISO

WHEREAS, the City of Valparaiso has identified a need to review and update existing parking enforcement and management policies in order to better provide for public parking needs in downtown Valparaiso; and

WHEREAS, the City of Valparaiso commissioned Walker Parking Consultants to complete a comprehensive downtown parking needs and management plan; and

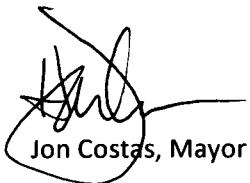

WHEREAS, the study made several recommendations for improvements/modifications to the current parking inventory and management policies including the use and function of on-street and off-street parking spaces and applicable parking meter rates; and

WHEREAS, the City desires to implement several of the recommendations pursuant to attached Exhibit A "Downtown Valparaiso Parking Map" depicting the intended function, use and duration of allowable occupancy for all downtown on-street and off-street parking and Exhibit B "Downtown Parking Meter Rates".

Now, Therefore Be it Resolved, that the following Elements of the downtown parking system inventory and management plan are hereby approved as presented:

1. Downtown Valparaiso Parking Map
2. Downtown Parking Meter Rates

Approved this 12th day of August, 2010 by a vote of 3-0.
