

Award Recommendations 2011 Public Purchasing and Contractual Services

<u>Item</u>	<u>Recommendation</u>
1A Stone	Award both Rieth-Riley and Ralston. Rieth-Riley bid an alternate #53 which is recycled concrete. Recycled concrete, in certain situations, would be suitable substitute to #53 limestone.
1B Ready Mix Concrete	Award Ozinga as they were the only bidder.
1C Asphalt AH	Award both Rieth-Riley and Walsh & Kelly, allowing me to choose the company with the best price for project.
1D Asphalt Hot Patch	Award Walsh & Kelly as they were the only bidder.
1E Asphalt Winter Mix	Award Central Paving.
1 F Slag	Award Ralston as they were the only bidder.
1G Sand	Award GE Marshall.
1H Batteries/ 1I Tires	No bids were received. We are shopping for the best price on the items we use most.
1J Equip & 1K Trucking	Award all bidders allowing me to choose the most appropriate equipment for the project.
Asphalt Paving 2A-2E	Award Rieth-Riley. To determine who had the lowest over price, I reviewed the 2011 bid prices in light of the actual paving quantities from 2007 to 2010. Rieth-Riley was lower in each case.
2F Asphalt Laid in Place	Award Walsh & Kelly as they were the only bidder.
Concrete with Paving 2G thru 2K	Award Rieth-Riley. Rieth-Riley accidentally transposed their numbers listing a higher price for the greater quantity. Rieth-Riley acknowledged their mistake. In consultation with Mr. David Hollenbeck, I accepted a letter from Rieth-Riley requesting that we consider their true intent, with was a better price for greater quantities.
3A thru 3D	Award Gariup if it is a monolithic pour where sidewalks and curbs are one. Award Rieth-Riley stand-alone, straight back curbs and wheelchair ramps when done in conjunction.
3E Concrete Street Repair	Award Rieth-Riley.
Asphalt Crack Seal	Award Pavement Solutions.
Fuel	Award all fuel to Rackham as they were the most responsive and best overall price.
