Media	

**PRESENTERS:**

Email addresses for the above City of Valparaiso Departments can be found at [www.valpo.us](http://www.valpo.us).  
The following is a summary of discussion at this meeting:

The Site Review Committee met to discuss the proposed installation of 2 fiberglass antenna's on the support legs of the existing Doppler radar tower. Phillips stated after reviewing the plans that were submitted, there are not any issues with regards to compliance with the telecommunications ordinances in Article 36 of the Zoning Ordinance. The project appears to be in compliance with the ordinance and no other action is needed. Inquiring with Vicki Thrasher is necessary in order to determine if Building Permits are required for this project. If needed, the project is ready to apply for building permits.

**ISSUES TO BE RESOLVED:**

Building Permit (if needed)
